To Whom It May Concern,

It is to certify, that Mr. Nelson Baroi has been an invaluable member of our team at Freyssinet during the construction of the Rooppur Nuclear Power Plant in Bangladesh.

Nelson has been serving as a Senior Administrator with our sub-contractor, AMT Engineering JSC, since January 2019. In the initial years of his tenure, he played a pivotal role in overseeing all procurement activities for Freyssinet. His attention to detail, strategic thinking, and dedication significantly contributed to the successful execution of our procurement processes.

Since 2022, Nelson has transitioned into a role providing administrative support to Freyssinet. Throughout this period, he has consistently demonstrated exceptional organizational skills, a keen understanding of project dynamics, and a remarkable ability to navigate complex administrative challenges. His efforts have not gone unnoticed, and the project manager, as well as the entire staff, are highly satisfied with his performance.

Nelson's motivation, diplomatic approach, and adept problem-solving skills have been instrumental in maintaining a positive and efficient working environment. His ability to adapt to changing circumstances, coupled with his strong work ethic, has made him an integral part of our team.

In conclusion, we have the utmost confidence in Nelson Baroi's capabilities and believe that his continued contributions will be of great benefit to any project or team. We wholeheartedly recommend him for any future endeavors and am certain that his professionalism and dedication will continue to shine.

Should you have any further questions or require additional information, please do not hesitate to contact us.
